

America's Tapestry

SPONSORSHIP PROPOSAL

13 Colonies. 13 Stories. 1 Nation.

Executive Summary

America's Tapestry is a transformative cultural project commemorating our nation's 250th anniversary through 13 hand-embroidered panels representing the original colonies.

This touring exhibition will reach 500,000+ visitors across prestigious venues in the founding states over two years, offering sponsors unprecedented visibility alongside a project that embodies American values of collaboration, craftsmanship, and storytelling.

The Opportunity

Join us in bringing this once-in-a-generation cultural legacy to life through a transformative partnership.

Your sponsorship will complete this historic arts project and position your organization as a leading cultural patron in America's semiquincentennial celebration.

Project Vision & Impact

Cultural Significance

Each panel celebrates the craftsmanship and individual contributions that built American independence, stitched by master artisans working in historic institutions from New Hampshire to Georgia. This collaborative approach mirrors the very foundation of American democracy—diverse voices creating a unified

Educational Legacy

Through partnerships with historical societies, universities, and the Embroiderers' Guild of America, this project preserves traditional needlework while educating visitors about our nation's founding stories.

National Reach

The exhibition will tour carefully selected prestigious venues across the original states, ensuring maximum cultural impact during America's most significant anniversary celebration, reaching **an estimated 500,000+ visitors over two years.**
